BEGONIA KOPPE®

In close cooperation with the leading and well-known Begonia breeder Koppe from Holland, Greenex proudly offers a very high quality and uniform size of cuttings from our production facility in Vietnam.

Koppe had their first crossings of Begonia's conducted in the late eighties. Since year 2000 the Begonia breeding program has yearly been expanded. Koppe's many years of experience and ongoing professionalization have made them the world's most innovative breeder of Begonia elatior.

Series that really stand out from Koppe are:

Koppe R'llona

- 100% Koppe.
- Powerful colors.
- Excellent branching for full thick plants.
- High number of petals for fuller flowers.

Sweeties® collection

- Completely new series specially for 10-12 cm (4-5 Inch) pot size.
- Small leaves form a beautiful ball with a sea of small double flowers on top.
- Gives every corner of the house more love and color
- Stunning sleeve cover design available.

BELOVE RED®

BELOVE PEACH®

BELOVE CHERRY®

BELOVE® YELLOW

BELOVE ROSE IMPROVED®

BELOVE SALMONPINK®

THE BELOVE SERIES

- New sun-tolerant genetics perfect for patio planters.
- Can be made to also fit nicely in 4-inch (10 cm) indoor pots.
- Unique yellow-eye across the series bringing a freshness to standard Begonias.
- Fits well into spring and summer production schedules.

*Be*love

THE SWEETIE'S COLLECTION

- Completely new series specially designed for 10-12 cm (4-5") pot size.
- Trials have shown great success without the use of PGR!
- Small leaves form a beautiful ball with a sea of small double flowers on top.
- Gives every corner of the house more love and color.
- Stunning sleeve cover design available.
